I, _____, (hereinafter the "Contributor/Author") acting as a PMI Volunteer providing recommendations to the PMI Program/Project identified as _____, am assisting in the creation and preparation for PMI of a Work or Works, tentatively entitled _____, (hereinafter the "Work(s)").

Within the meaning of the Copyright Act of 1976, 17 U.S.C. § 101, *et. seq.*, the Work(s), as previously described, constitutes a Work for Hire as ordered or commissioned by PMI. Therefore, it is my intent that all materials submitted to PMI by me, both presently and in the future, in my capacity as a PMI Volunteer and under PMI's direction and control, shall be the property of PMI, and PMI will own the copyright in such Work(s). To the extent that the Work(s) or any part thereof does not constitute a Work for Hire, I do hereby transfer and assign all worldwide copyright interest(s) in the Work(s) to PMI for the life of such copyright interests.

If the Work(s) contains copyrighted material owned by a third party, then I agree to obtain written permission from the copyright owner to use the copyrighted material in the Work(s) and shall promptly deliver such written permission to PMI.

I represent and warrant that I own all rights granted hereunder free of any liens or encumbrances, that I have full power and authority to enter into this Assignment, and do so voluntarily. If I am an employee of any government, including, but not limited, to the United States of America and the United Kingdom, and this Work(s) was created by me in that capacity, this Assignment shall only be effective to the extent it is allowable under any such government's applicable laws or regulations. I understand that, from the date of this Assignment forward, the copyright(s) to the Work(s) created by me or to be created by me, is/are owned, and will be owned, in perpetuity, solely by the Project Management Institute, Inc.

The term "Work(s)" as used in this Assignment, includes, but is not limited to, the final document, publication, or other materials identified above; all drafts of the identified materials and any editorial modifications made by PMI; and any other materials and work products submitted for consideration for inclusion in the Work(s), where such relevant materials are created as a result of Contributor/Author's work or activities as a PMI Member/or Non-Member Volunteer involved in a specific activity, program or project.

PMI grants the original Contributor/Author a non-exclusive license to use the Contributor/Author's contribution to the full Work(s) at no cost, provided that PMI copyright is properly acknowledged and no PMI endorsement is implied. In consideration of this Assignment, PMI agrees to acknowledge that the Contributor/Author participated in the preparation and creation of the Work(s) and will give full and complete attribution in all versions of the Work(s). PMI reserves the right to decline to publish all or part of the Work(s), for any reason.
