

**Eugene C. Bounds, PMP®**

vice chair, SPPA Chair

**Eugene C. Bounds** from Alexandria, Virginia, USA, is secretary/treasurer of the PMI Board of Directors. He also chairs the Strategic Planning and Program Alignment Committee.

A PMI member since 1989, Mr. Bounds has been active in three PMI chapters. He was an initial PMI Mile-Hi Chapter (Denver, Colorado, USA) member and was active in its growth during the late 1980s. After relocating to Pittsburgh, Pennsylvania, USA, in 1991, Mr. Bounds was active in the Pittsburgh chapter and worked on the committee to host Phi's annual meeting. Mr. Bounds is currently a member of the PMI Washington D.C. Chapter, USA. Additionally, he was an active participant in the initial Organizational Project Management Maturity Model (*OPM3*®) working group.

In 1995, Mr. Bounds received a PMI award for being a founder of the Information Systems Specific Interest Group (SIG).

Mr. Bounds is currently a vice president at Booz Allen Hamilton, where he is an economic business analysis functional leader with responsibility for establishing and sustaining a quantitative management controls community of practice. Mr. Bounds also leads their Air Force and NASA markets.

Mr. Bounds earned the Project Management Professional (PMP)® credential in 1990. He holds a Master of Science degree in information systems from the University of Southern California, USA, and a bachelor's degree in information systems from Texas Tech University, USA.

**About PMI**

Project Management Institute (PMI.org) is the leading advocate for the project management profession globally. Founded in 1969, PMI has nearly 500,000 members and credential holders in 175 countries. PMI's Project Management Professional (PMP)® credential is recognized as the only globally-transferrable credential in project management.
