

Mark Owen Mathieson, MS, PE, PMP®

Director

Mark Mathieson from Clovis, California, USA, joined PMI as a member in 1982. In addition to this current term on the board, he served as a director from 2002 to 2004.

Mr. Mathieson has presented and published PMI papers and has received numerous PMI component awards. He was a founding member of the PMI Design-Procurement-Construction Specific Interest Group (DPC SIG) and is a past recipient of the PMI SIG Chair of the Year Award. He is a past officer of the PMI Puget Sound Chapter and also established PMI student chapters.

Mr. Mathieson is senior vice president of facilities management (corporate-wide) for Community Medical Centers, a Central California non-profit locally owned healthcare system with 6,500 employees and a CAD US\$900 million operational budget.

Mr. Mathieson received a Bachelor of Arts degree in architecture and a Master's of Science degree in structural engineering from the University of California, Berkeley, USA. He is also a certified Project Management Professional (PMP)® and licensed professional engineer in California.

About PMI

Project Management Institute (PMI.org) is the leading advocate for the project management profession globally. Founded in 1969, PMI has nearly 500,000 members and credential holders in 175 countries. PMI's Project Management Professional (PMP)® credential is recognized as the only globally-transferrable credential in project management.
