

PMI Global Congresses and other PMI events held prior to or following a congress represent a unique opportunity for certified PMPs to earn a significant amount of PDUs toward maintenance of their credential. Typically, one PDU is earned for every one hour spent in a planned, structured learning experience or activity. Fractions of PDUs may be reported in 0.25 increments following one full hour.

This worksheet lists all activities that qualify for PDUs at:

Instead, keep it with your personal records for verification of attendance if you are audited.
