

PMI List of Marks

Note: This list was last updated in March 2025. As new products are being developed quickly, for the most up-to-date information please contact the PMI Legal Department (trademarks@pmi.org). PMI logos are being updated and will be finalized throughout 2025. Please contact Brand@PMI.org for more information.

The following list of PMI trademarks/service marks provides the preferred format for presenting PMI marks, whether for use in print or digital content, along with other acceptable formats, as shown in the first column.

All marks listed are the property of PMI. Additional comments specific to the mark, including authorized users or specific typographic format, are noted under the heading Related Comments. The nature of goods and services associated with the mark is identified in the last column.

Please note: An omission from this list does not constitute a waiver of any intellectual property rights that PMI may have established in any other marks. All registered marks are registered in the United States and/or other countries.
