PMI x AI Champions

What is the PMIxAI Champions program?

Help scale credible AI enablement through trusted community voices

- Build consistent, accurate, audience relevant PMIxAI messaging
- Increase awareness and engagement of AI offerings in local and online communities
- Gather feedback to improve PMI AI materials, messaging, and gain insights for product refinement or creation (such as topics for AI Today podcasts and/or new courses)
- Currently in pilot through end of June with goal to expand in H2 2026

Engaging with AI Champions

What AI Champions do

- Deliver chapter talks, webinars, online posts and community discussions
- Use PMI-provided resources + share real-world perspectives, answer questions, and guide people to PMI resources

How best to engage

- Invite AI Champions for virtual chapter talks/webinars
- Can also work with PMI Global (including AI CIP, regional marketing and HOC) to request AI Champions to present
- Champions are not assigned to specific chapters and many can present in multiple languages

Q&A
