Online Community

PMOGA Ambassador Program

Chapter leaders and engaged members can become PMOGA Ambassadors, serving as the bridge between the global PMO community and local chapter activities.

What Ambassadors Do

- Promote PMO knowledge locally
- Connect chapter members to PMOGA
- Facilitate PMO-focused events
- Share best practices regionally

What Chapters Gain

- Direct link to global PMO resources
- Enhanced member value proposition
- Access to PMOGA content and speakers
- Strengthened PMO-focused programming

PMI-PMOCP Study Groups

Chapters can host study groups, helping members prepare for the certification while generating engagement and demonstrating thought leadership in the PMO space.

A win-win: chapters strengthen their value proposition while PMOGA expands access to professional development.

PMO unCON Co-hosting

PMO unCON is PMOGA's annual flagship conference. Chapters can participate as regional co-hosts, bringing global PMO thought leadership to their local communities.

Host an in-person PMO unCON event

Connect your members to a global audience of PMO professionals

Gain visibility as a PMO-forward chapter within the PMI ecosystem

Offer members exclusive access to world-class PMO content

**PMO unCON 2026 just took place in San Diego (March 24-25).
Planning for the next edition in Europe starts now.**

PMO-themed Events in Your Chapter

PMOGA can support chapters in delivering high-quality PMO content to their members through co-branded events.

What PMOGA Provides

- Access to expert PMO speakers
- Ready-to-use content and topics
- Co-branding and marketing support
- Connection to the global PMO community

Event Formats

- Webinars and virtual panels
- In-person meetups and workshops
- Masterclass sessions
- PMO roundtables for practitioners

Chapter PMO Mentoring Program

PMOGA is piloting a mentoring program to help PMI chapters create or redesign their own internal PMOs, applying the principles from the PMO Practice Guide to chapter operations.

Why This Matters

- Chapters are project-driven organizations
- Many struggle with governance and coordination
- A chapter PMO can transform effectiveness
- Walk the talk: apply what we preach

How It Works

- PMOGA provides methodology and guidance
- Chapter applies it to their own operations
- Structured approach based on the PMO Practice Guide
- Results shared as case study with the community
