Letter of Endorsement of LIMC Applicant

PMI's Leadership Institute Master Class (LIMC) is a leadership development program to equip PMI chapter leaders with the techniques and frameworks to work with and through others to drive organizational success in their chapters and beyond.

The 2021 LIMC will be a leadership development program for chapter leaders who are early in their leadership journey and who aspire to develop their leadership capabilities and are committed to applying this knowledge for the betterment of their chapter for years to come.

With the signature below, the chapter board indicates its endorsement of the individual listed below who is applying to the 2021 LIMC program. Further, the board confirms that the applicant is currently engaged in an elected or appointed role with this chapter (does not need to be a board level position); that the role will extend at least through October 2020; and that the applicant has held an elected or appointed position in a chapter for no more than 3 years.

If accepted, participants must be available to take part in all face-to-face meetings, virtual events, and virtual meetings with the class and learning partners. There are three in-person, multi-day meetings in North America (October 2020, spring 2021 and fall 2021).

Board endorsement of the candidate's involvement in the program is required as part of the application process. Should the candidate be accepted into the program, there are no further obligations (i.e., financial) with the exception of supporting the candidate in sharing information learned with fellow chapter leaders/members as deemed appropriate. Signing this letter does not indicate financial support, and does not guarantee a continued role of the applicant in the chapter. However, some boards may choose to financially support the applicant (e.g., travel/accommodations) or may want to discuss expectations upon graduation from the program.

Signed on behalf of the board of the (chapter name) _____

Signature _____

Print name: _____ Board title: _____

Name of LIMC applicant: _____
