Understanding PMI Europe's Enterprise & Academic Engagement

Let's Create VALUE Together

At the conclusion of this session, attendees will be able to:

Understand	how PMI engages with enterprises, public institutions, and academic partners across Europe, including the types of solutions PMI offers and the strategic priorities guiding these engagements.
Recognize	typical needs and perspectives of enterprises and academic institutions when engaging with PMI, and adopt an “outside-in” mindset when interacting with these stakeholders.
Clarify	the chapter role as a trusted local connector and ecosystem amplifier, when engaging with organizations.
Identify	when and how to connect organizations with the right PMI teams, ambassadors, or programs, leveraging PMI playbooks, communities, and points of contact.

Who we engage with

- Enterprises: Large organizations across diverse sectors (technology, infrastructure, life sciences, defense and space...)
- Public institutions: EU bodies, public agencies, NGOs
- Academic partners: Universities, business schools
