

Practitioners are faced with the need to adapt quickly due to technology enhancements and the need for organizations to respond to rapid market changes. The *PMBOK® Guide* is evolving to support the project practitioner in meeting these challenges. Below are link to past on demand events to learn more.

Standards Transformation and the PMBOK® Guide: Evolution and Revolution

At the conclusion of this session, participants will be able to: Understand concepts associated with a principle-based and systemic view of project delivery; understand the project delivery landscape and associated delivery approaches; and how these concepts are being incorporated in the *PMBOK® Guide- Seventh Edition*.

Getting Under the Hood of the PMBOK® Guide – Seventh Edition

We're making changes to both the Standard for Project Management and A Guide to the Project Management Body of Knowledge (*PMBOK® Guide*) to reflect the range of different project approaches and your need for flexibility. We've heard questions about how the 12 principles evolved for the Standard for Project Management and how we developed the Guide to the Project Management Body of Knowledge. We're here to answer them.

Getting Under the Hood of the PMBOK® Guide – Seventh Edition Part 2: Understanding Changes to the Guide

Join us for Part 2 of the "Getting Under the Hood" series to see how pending revisions to A Guide to the Project Management Body of Knowledge are more inclusive and easier for you to use.

Getting Under the Hood of the PMBOK® Guide – Seventh Edition Part 3: More about Models, Methods and Artifacts

Our "Getting Under the Hood" series continues with a webinar that will go deeper into the Models, Methods and Artifacts section of the *PMBOK® Guide – Seventh Edition*, as well as introduce the PMIstandards+™ digital content platform.

Getting Under the Hood of the PMBOK® Guide – Seventh Edition Part 4: Tailoring to the Needs of the Project

Our "Getting Under the Hood" series continues with a webinar that will go deeper into tailoring section of the *PMBOK® Guide - Seventh Edition*. Join us to explore considerations for tailoring to better suit the deliverables, organization and project needs. While the tailoring of an approach to a project was covered in various parts of the previous edition of the *PMBOK® Guide*, it is now more fully developed in the guide portion of the seventh edition. In this session, you will be introduced to a tailoring framework that you can adapt to evaluate what and when to tailor.

Getting Under the Hood of the PMBOK® Guide – Seventh Edition Part 5: A System for Value Delivery

Our "Getting Under the Hood" series continues with a webinar that explores how projects operate within a larger system for value delivery. Value often has different meanings dependent on the mission and vision of a given organization. The unique characteristics of projects determine the best approach for carrying out the work of the project. The *PMBOK® Guide – Seventh Edition* recognizes the presence of these interdependent and interrelated systems and provides project teams with the needed flexibility to conduct the work of the project in a way that enables the desired outcomes from the project.
