Strategic Approaches to Managing Projects Virtually

Instructor(s): Carlene Szostak

Length: 1 hour

Pework: None

CEUs: 0.1/see below for PDU breakdown

Level: Advanced

Training Topic: Strategic Planning and Implementation

Subtopics: Power Skills, Problem Solving

Training Description:

Who would have called this a critical topic a year ago? A pandemic-inspired discussion on how to manage virtual project management teams more effectively? Really? Yes! Difficult? Yes, but not impossible! It just requires focusing on some new techniques and honing your intuition. By the way, you are not alone. Virtual teams have become our new “normal.” They have magnified the communication challenges project managers face when trying to effectively drive a project forward.

Learning Objectives:

Upon completion of this training, learners will be able to:

- Learn top virtual communication techniques.
- Show what a “good” virtual team look like.
- Discover the best practices on leading online.

AGENDA

- Introduction
- What the heck is a virtual team today?
- Managing Uncertainty
- Bleeding Edge Techniques
- Make It Fun
- Q&A

Professional Development Units (PDUs) are one-hour blocks of time spent learning, teaching others, or volunteering. By attending this course, you will be able to achieve the following PDUs as learning hours to apply for PMI certification or to maintain your certification status with PMI.
